

OUR DUMPSTERS

- 13 Yard Capacity
- 4 Day Rental Duration
- 1 Ton Waste Included
- Easy Drop Off & Pick Up

RESTRICTED & PROHIBITED ITEMS

Fees apply when restricted items are found in our dumpsters. They are what we would charge for standard residential junk pick up. If we have to dig these items out of a dumpster, we need to charge our standard rates for these items. We have to charge for these items because they must be recycled or disposed of in a different manner than household, waste, and construction and demolition debris.

Due to weight, **rocks, gravel, concrete** and **sand** are prohibited.
